Veteran-owned and operated.

## About Goodwin-Cole

### We Are Goodwin-Cole Company, Inc.

We've been crafting canvas and textile products since before the turn of the 20th century.

Our journey began in Kansas City in 1888. In 1920, we made California our home, settling in Sacramento. From these humble beginnings, we've grown into a trusted name serving Californians and customers throughout the Western United States.

Our tradition of quality and service has earned us the trust of our customers, a trust we hold as the foundation of our success. We are committed to maintaining this legacy by delivering innovative solutions, exceptional craftsmanship, and unmatched service.

## Fixed Awnings

- Permanent solution for year-round protection from sun and weather.
- Available in a variety of styles, materials, and colors.
- Low-maintenance and long-lasting durability.
- Provides shade for windows, doors, and outdoor spaces.

## Patio Covers & Pergolas

- Sunshade and waterproof protection.
- Fixed or operable roofing systems with manual or automated controls.
- Add walls with roller shades, sliding glass, or custom options.
- Gutters, lighting, heating, cooling, fireplaces, TVs and more.

## Retractable Awnings

- Custom widths and projections.
- Various color and fabric choices.
- Smart-shade technology automatically closes in bad weather for some models.
- Motorized, remote, or manual options for residential or commercial use.
- Minimum maintenance.
- Best warranty in the market.

## Shade Sails & Shade Panels

- Blocks sunlight while allowing airflow and cooling breezes.
- Ideal for schools, seating areas, pools, playgrounds, and parking.
- Attached to your building or stand-alone.
- Customizable to your specific needs.

## Umbrellas

- Round, square, and rectangular models.
- Custom designs and printing available.
- 1 to 4 parasols on one pole.
- Commercial-grade design for lasting durability.
- Optional features: heaters, lighting, side panels, and rain gutters.
- Choose from various contemporary colors, fabrics, and materials.

## Retractable & Slide-Wire Canopies

- Custom lengths and configurations.
- Affordable, three-season solution with manual or motorized options.
- Free-standing or attachable, with or without rain gutters.
- Hundreds of fabric and color choices for new or existing structures.

## Custom Covers & Fabrication

- Custom sizes and shapes.
- Free estimates with a wide variety of materials.
- We store your fabric and pattern for future orders.
- One-time orders or on-demand orders.
- CNC table for precise cutting.

## Roller Shades

- Manages light and energy efficiency.
- Protects from heat, glare, wind, insects.
- Keeps outdoor spaces cooler while blocking harmful UV rays.
- Tailored solutions with expert installation, manual or motorized.
- Smartphone and wind sensor technology control for some models.

Interior or exterior!
